Elementary Lunch Order Form

Dear Parent,

Prior to the new week of a new month, a menu and order form will go home with your 4k-8th grade student. In order to prepare the proper amount of lunches each day and be good stewards of time and food prepared, please follow these directions for ordering elementary lunches (4K-8th gr)

1. Each lunch includes the entrée listed on the calendar plus a vegetable and/or fruit, & beverage. The cost is \$3.00 per lunch. This order form and correct change need to be turned in each Monday by 8:30 to their teacher, in an envelope. (If a student is absent on Mon, they may turn in their order the day they return.) We cannot accept orders on any other day from students who were present on Monday.
2. You will notice the FIRST week of the month is located at the **bottom** of the order form for your convenience. Cut that one from the sheet and submit it on Mon with the correct amount you are ordering for. Work your way UP the sheet for each week. The last week of the month will be at the top of the sheet. (You may choose to order your child's lunches two weeks in advance or for the entire month. Simply submit the weekly order forms and amt for the weeks you are ordering in advance on Mon.)
3. Fill out a **separate form for each student** and include the amount. Do not send additional fees w/lunch order forms.
4. Microwaves are available for use for 1st-8th graders. 4K & 5K are served in their room.
5. Additional snack items are available for purchase for 1-8th graders with prices ranging from .50-2.00.
6. The lunchroom does not supply plates, napkins, utensils or condiments for students who bring their lunch from home.
7. Please do not order and send money for lunch when your child/ren are attending a field trip. It is important that they are NOT counted as part of the lunch count/preparation for that particular day.
8. Senior Sponsored Days is a fundraiser for the Senior class trip, the Senior class prepares lunch and serves on those designated days.

Please note: 9-12th graders can order lunch for the week on Mondays also.

Your cooperation in following these guidelines makes preparing and serving lunch each day easier.

WESTSIDE CHRISTIAN ACADEMY Elementary Lunch Order Form

May 28-Jun 4, 2012
